In February, 1952, at the time the Leaders' Club celebrated its first birthday, the club was proved to be beneficial and worthwhile. Miss Kruzic, its originator, was greatly pleased and now has decided to keep this club going.

When a girl, in her second year or more, is recommended by her class teacher to become a leader, she must be approved by the gym office. The requirements for a leader-to-be are that she must have at least an "E" in gym; and an average grade in all of her academic studies. After having been in the Leaders' Club for a year she has then finished her basic training and is now a full-fledged leader.

Leaders help in the gym department, referee games, take charge of the locker room, and assist in the swimming pool. When a Leader serves two semesters in the Leaders' Club she is given an award.

The Board sponsors many activities such as: bowling, volley ball, baseball, tumbling, badminton, tennis, hiking, and various others.

Lettermen's Club

This organization, sponsored by Coach Kane, is a means of providing recognition to the boys who have received their letters in the varsity sports of baseball, football, basketball, and swimming.

The officers are: Perry Pelekoudas, President; Rich Wilfenger, Vice-President; Al Buchinski, Treasurer; and Walter Kroczka, Master-at-Arms.

The club meets once a month to discuss the awarding of letters for participation in the various sports and to choose the style of jackets to be worn by the athletes.

Baseball Team

Gage Park organized its first baseball team in 1939, under the direction of Mr. Paul Stanger, the present day coach. Fame came to Gage Park in 1944 when they won the Central Section title; and again in the following year, 1945, when they represented Chicago in the Downstate Tournament. Gage Park went as far as the Semi-Finals before being eliminated. Since then Gage Park has always had a fine Baseball team, never finishing lower than fourth place in the last eight years.

This year Gage has put into the field a fine team with five returning veterans and reserves from last year. The returning veterans being, Ed. Kubik, Jack Doligale, Robert Krolak, Ron. Fara, and Ed. Dettloff. The reserves from last year are Joe Pargulski, Don Kirincic, Len. Tandaric, Tony De Novi, and Rich. Novicki. The Coach and the boys hope this year may be as exciting as the one in 1945.

Senior Basketball Team

While compiling a rather favorable season record, the Senior Basketball Team displayed much of the good sportsmanship and school spirit which distinguish all Gage Park sporting events.

Some of the season highlights were a 25-point game of Ronnie Fara's and a thrilling game with Harrison which we lost 52-50.

Junior Basketball Team

This year's Junior Basketball Team was one of the finest in Gage Park's history. This is evident by the fact that they reached the quarter-finals of the Chicago Public League Championship playoffs. They lost this game 74-39 to the Public League Champs, Chicago Vocational.

Captained by Perry Pelekoudas and Walter Kroczka, the team gave us many thrills throughout the season. Pelekoudas was named on the All-City team, and Kroczka was on the second All-section team.

Their excellent record of 15-3 provides good reason for the whole team to be proud of its showing.

By gaining second place in the district and thereby earning the right to participate, the Gage Park ROTC Rifle Team for the second season in a row entered the City Championship playoffs.

In the City Championship Play-offs the Rifle Team came in ninth place in the entire city and, since they were one of the smallest schools present, this was quite an accomplishment.

Out of twelve matches fired in district competition Gage Park won eight and lost four.

This delightful one act comedy presented in the auditorium on June 5, 1952 was well received by our Gage Park audience. Congratulations, Drama Club, we are anxiously looking forward to your future production.

A Prayer for a Writer

Help me, O Lord, in a land of borrowed ideas to keep and develop what originality I already possess.

Make me more aggressive, more interested and alert in my daily contacts with people and with life, that I may find fresh material on which to write.

Increase, O Lord, my power to observe and feel and think, and to express my inmost thoughts with daring incisiveness and pungency.

Forgive my indifferent spelling and my careless literary lapses, and prune my manuscript of faded phrases and dangling sentences.

Give me the courage to say resolutely, "I don't know," and then to go out unashamed to discover the right answer.

Help me to cultivate constantly at least one major interest, and to enjoy at least one recreation and hobby.

Give me an abiding pleasure in the arduous task of writing, keeping in mind always my obligation to win my reader.

Keep my mind well filled but never closed, and free me of conceit, buncombe and pose, so that I may do my daily stint honestly and thoroughly, and without too much expectation of applause.

Let me not be too greatly discouraged by rejection slips, remembering that acceptance cometh in the morning.

And when my typewriter is covered with dust, O Lord, add to my unfinished story a happy ending to all I have dreamed and thought and prayed. Amen.

Memories are our greatest treasures. The Icarian Staff brings these memories to you with the completion of our yearbook. In order to carry out efficiently the work necessary for the perfection of the book, the staff is separated into three groups, namely, the Photography, Layout, and Editorial staffs.

This group of students, under the supervision of two new sponsors, Miss Blake and Mr. Heyse, assisted by Mr. Sheridan, has spent the year organizing and planning to bring to Gage Park our complete and beautiful yearbook, the Icarian.

To the future Mrs. Cullen.

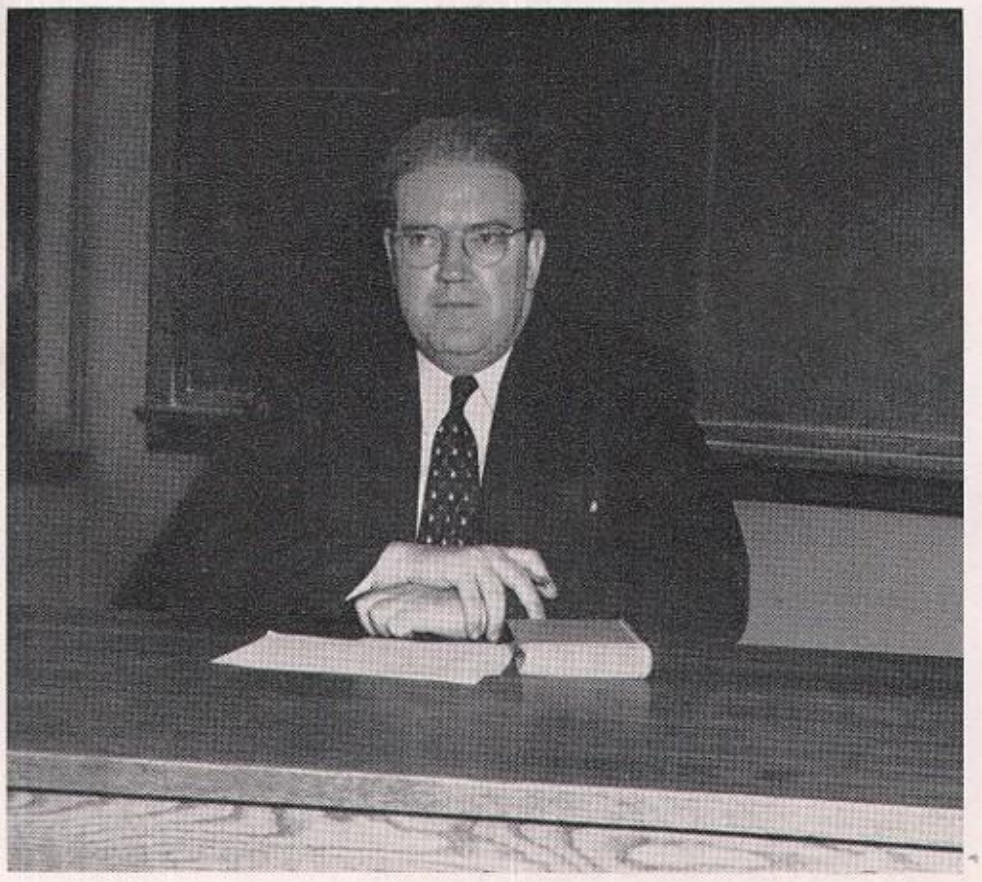
Miss Clark, Miss Connors, Miss Cooper.

Miss Alice Scannell, pictured here with two of her helpers, is in charge of educational plan sheets. She supervises student sequences and programs girls for gym classes.

Our three office clerks, Mrs. Spruner, Miss Rolston, and Miss Tolbert are pictured here. They prepare bulletins and letters, answer telephones, type division absence lists, prepare transcripts, keep records and do many other activities.

Miss Mary Powell is our School Registrar. She takes care of credits and transfers in and out of our school.



Mr. John Sheridan is our School Treasurer and Business Manager. To his custody go student and teacher collections, tickets for activities, etc.

Office Administrators

Mr. Thomas Benson is our Attendance Counselor. He is kept busy checking on absentees, truants, delinquents, "cutters", etc. Mixed in with all this penance he gets an occasional bit of luxury—he is in charge of the Awards Assemblies.

Our Adjustment Teacher is Miss Holly McKillen, who interviews prospective students of Gage Park High at Parent-Interview Days, and assists failing students.

If you want a job after school hours or after graduation, Miss Catherine Roche is our Placement Counselor. She also arranges for prospective graduates' college entrance exams and forms, and scholarship exams.

Mr. Paul Bohus is not only Civics teacher but also Program Director. He arranges both teachers' and students' programs, fits the classes into classrooms, and prepares gym programs for the boys.

Miss Frances Schaefer is our Assistant Principal. All of us at Gage Park High appreciate her understanding and industry.

She fulfills many duties, such as teacher-program adjustments, the administration of office tests, the interviewing of possible student failures, and the issuance of early dismissals.

At Gage Park we not only highly respect our efficient Assistant Principal, Miss Frances Schaefer, but we also know that we are very fortunate to have such a capable administrator in our school.

Gage Park High School

In the lives of students some school activities, events, and incidents stand out as being significant and more meaningful than others. Members of the Icarian Staff, and the teacher-sponsors, Miss Blake, Mr. Heyse, and Mr. Sheridan, have endeavored to identify and to record the important and memorable school happenings during 1951-52. For your present and future enjoyment they present these in the Icarian, 1952.

William Abrams

While the howling winds outside rushed about madly, creating intricate patterns of snowflakes and icicles, more wonderful scenes were taking place in our school gyms, classrooms, laboratories and other rooms. Scenes in which students and teachers worked side by side—each doing amiably their share of the work.

We, here at Gage Park High School, realize that only through education can we prevent the coming of Winter with its prejudices, wars, and hatred in our country. Only through education can Spring bloom forth over our great land with its truth, understanding, and democracy.

A sight that was quite familiar last winter was seeing Gage Park students, warmly dressed, their arms full of books and lunches, rushing up the school steps and quickly ducking into the building for warmth.

Undoubtedly on such mornings very few stopped to admire the lovely scenery thoughtfully displayed by Old Man Winter. The Icarian staff, however, is making amends with Mr. Winter by picturing here two beautiful winter scenes of our own campus.

The human heart has hidden treasures,
In secret kept, in silence sealed;
The thoughts, the hopes, the dreams, the pleasures,
Whose charms were broken if revealed.

Charlotte Bronte

Some day these pages will be golden with age and withered by time, but the treasures contained within, will always be fresh and glistening like a morning dewdrop.

As you open the maroon and white cover and begin glancing at the pictures, many a smile will brighten your face, as you recall various and humorous incidents. While reading an article you come across a name and wonder what has become of that dear friend. Upon turning each page, you reflect on the great amount of knowledge acquired in ten months, usable knowledge that serves well along life's road.

Yes, all your treasured thoughts, hopes, pleasures, and dreams are contained forever in this book. Nothing or no one can touch or harm them, for they are . . . . . memories.

Dear Do's,
Lotsa Luck in all you undertake. It's been great knowing you. I hope our friendship never ends.
Love

As the years roll on in the march of time,

Each little thought and each little line

That's written now, in these years the best,

Shall be a part of your treasure chest.

So before proceeding, we think you ought

To give our prose and poems a thought.

We've made them happy—made them gay!

For in later years of life you'll say,

"Here are my friends—I know them well,

Who are pictured here—in my memory dwell."

Best of Luck to a cute classmate
